P: 0404801336

CV

I am an Australian contemporary figurative artist who lives and works in Brisbane's bayside.

I am often drawn to manmade structures and how they interact with the natural world.

My hope is that my efforts can bring those who view my art a sense of the of the magic that I have seen.

EXHIBITIONS

Rotary Art show 2019.

Paddington Art Prize - 2023
